# West Shore Sail Club 2008 CRUISING AWARDS

## **CRUISING COMMITTEE AWARDS**

The Cruising Committee of West Shore Sail Club annually sponsors cruises and presents Cruising Flags and Awards for distance and lake accomplishments. These are presented to members who have cruised independently and participated in the Cruising Committee's activities. To be eligible for a flag, you must (1) submit a registration form, (2) cruise at least 100 statute miles during the cruising year, (3) actively participate in more than one of the WSSC Cruising Committee cruises or meetings and (4) submit an acceptable "Boat's Cruising Summary".

### **1. Registration:**

The registration form and a non-refundable registration fee must be mailed to the Cruising Log Master by June 10<sup>th</sup>. The Cruising Committee, at its January Meeting, will establish the fee based upon the prior year's costs and other pertinent information.

### **2. Criteria Completion:**

The "cruising year" shall be defined as November 1<sup>st</sup> through the following October 31<sup>st</sup>.

A "Cruise" is defined as follows:

- An overnight stop at a location other than the boat's home port.
- Passage making shall count as cruising mileage.

For the purposes of measuring distance, use the following:

- The Statute Mile shall be used. (1 nautical mile = 1.15 statute miles)
- Knot log distances may be used for calculation purposes.

The flag shall be white with green lettering and shall show the number of miles traveled:

- Yellow for: 100 to 499 miles
- Red for: 500 to 999 miles
- Blue for: 1000 or more miles

The flag shall also have a Letter Designation if the boat meets these additional Port/Anchorage requirements: (Each port or anchorage may be counted only once.)

- Lake Erie E three or more ports including two with and one independent of club activities
- Lake St. Clair C three or more ports
- Lake Huron H three or more ports
- Lake Michigan M two or more ports
- Lake Superior S two or more ports
- Lake Ontario O two or more ports
- Anywhere Else A two or more ports

### 3. Boat's Cruising Summary Submission:

The Cruising Summary form and travel table must be submitted or mailed to the Cruising Log Master by December 10<sup>th</sup>. The travel table shall contain:

- A row of information for each day the boat cruised.
- Columns showing the date traveled, the originating port or anchorage, the destination port or anchorage and the distance traveled that day.
- Optionally, a column may be added listing such things as the time of departure and arrival, sea and wind conditions, passage notes, etc.

### EXCLUSIONS

The following mileage is NOT to be included in the summary of the Boat's Cruising Log:

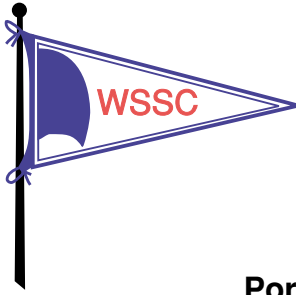

- Day sailing mileage when departing from and returning to your home port.
- Racing miles.
- Commercial Yacht delivery.
- Listing the same boat's mileage for a given day on more than one Cruising Log Summary.

### SPECIAL AWARD

A special Cruising Distance Flag is presented to the boat that travels the greatest distance of those boats being considered for this award. (You must elect to be considered for this award, not have received it during the past two years and have the Committee's approval.)
